

# MATCHING FUNDS

## The Lord's Kitchen's Feinstein \$1 Million Challenge

A percentage of all money raised by the Lord's Kitchen in the months of March and April will be **matched** by The Feinstein Foundation!

Our mission at the Lord's Kitchen is to assist those in need by providing **food, clothing and shelter** in a stabilizing environment through physical resources and spiritual encouragement, while fostering hope for tomorrow.

We currently celebrate over 4.9 million meals served to those in need!

That means that all donations to The Lord's Kitchen **will have a much greater impact** right now than at any other time during the year.

Please help us feed the less fortunate!  
For more information about the Feinstein Foundation and their matching grant challenge, visit their website at [www.feinsteinfoundation.org](http://www.feinsteinfoundation.org).
